Federal Bulletproof Vest Partnership Program	This grant is administered by the Federal Bureau of Justice Assistance, with the New Jersey Department of Law and Public Safety, Division of Criminal Justice as the conduit agency. Federal funds provide 50% reimbursement for the purchase of new or replacement vests. The federal Fiscal Year 2002 award supplements \$374,153 in funding received since federal Fiscal Year 1999.	8/1/02-7/31/06	\$81,688		US Department of Justice/NJ Division of Criminal Justice
State Criminal Alien Assistance Program (SCAAP)	This payment program is funding to partially reimburse the States and local jurisdictions for the cost of housing illegal immigrants in their correctional facilities after state conviction for felony offenses. The authority for this program derives from the federal appropriation under Sec. 501 of the Immigration and Nationality Act (8 U.S.C. 1365) and regulations issued by the Department of Justice on October 6, 1994.	7/1/00 – 6/30/01 (reimbursement period)	\$7,192,639		U.S. Department of Justice, Bureau of Justice Statistics
Social Services Block Grant Mother/Child Visitation	The program provides funding to transport children of incarcerated mothers to maintain personal contact with their mothers through visits to the institution. This ensures continuity of relationship between mothers and their children. Many families are not in a position to financially afford such transportation. Grant funds also support the salary of two Social Worker positions, part-time drivers and materials and supplies for the children. Dollars are awarded annually by the NJ Department of Human Services to continue the operation of this program.	7/1/02 – 6/30/03	\$97,411	\$41,000	U.S. Dept. of Health and Human Services/NJ Dept. of Human Services

First Step Therapeutic Community Program – RSAT	The Residential Substance Abuse Treatment Grants (RSAT), authorized in the 1994 Crime Bill and administered by the Office of Justice Programs' Corrections Program Office, are designed to help states and local governments develop and implement substance abuse treatment programs in prisons and jails. First Step is a privatized Therapeutic Community drug program providing three phases of inpatient drug treatment to 188 inmates at Garden State. The primary goal of this program is "to reduce drug driven crime and related offender recidivism...by effectively treating and socially reintegrating the chronic, drug dependent, incarcerated offender."	2/4/03 – 3/8/04	\$400,000	\$ 133,334	Department of Justice/NJ Division of Criminal Justice
Mountainview TC	Federal Byrne Formula Grant funding awarded through the Division of Criminal Justice to provide funds for a privatized Therapeutic Community drug program at Mountainview Youth Correctional Facility. The program provides nine to twelve months of intensive, inpatient drug treatment to 83 inmates at a time.	5/26/02-2/28/03	\$188,600	\$ 62,867	US Department of Justice/NJ Division of Criminal Justice
Objective Classification Interface Project	Funded through the federal National Criminal History Improvement Project (NCHIP) dollars, grant funds are awarded through the Department of Law and Public Safety for the Objective Classification Interface Project. Objective Classification utilizes six to eight pieces of information on an inmate, quantifies this data and develops a recommended score that is used to assign offenders to maximum, medium, or minimum status. The Grant funds will cover the costs of contracting for consultant services in order to develop specifications to transfer computerized criminal history records from the various criminal justice systems to the NJDOC's DOCMIS system for Objective Classification scoring. This will eliminate the need to key duplicative data into various information management systems.	10/1/01 – 9/30/04	\$ 92,133	\$10,237	Department of Justice/NJ Office of the Attorney General

<u>Program</u>	<u>Description</u>	<u>Grant Term</u>	<u>Federal Award</u>	<u>State Match</u>	<u>Received From/Through</u>
DOCMIS to DSP Mug Shot Interface	Federal Byrne Formula Grant funding awarded through the Division of Criminal Justice to develop interfacing software that will merge identification and new commitment data with digitized fingerprints and link the data with the digitized photograph (mug shot). Data interface will result in the electronic transmission of one uniquely identified record which includes all commitment information, fingerprints and photos which are required by the New Jersey State Police Central Registry.	10/21/02-10/20/03	\$ 57,583	\$ 19,194	US Department of Justice/NJ Division of Criminal Justice
Gang Awareness Program	To more extensively participate in the State's Safe Schools and Community, the department developed a gang awareness and prevention program within the Special Investigations Division. A Gang Intelligence Unit will use inmates who have completed the Department's Security Threat Group Management Unit Phase Program, to travel to schools and community groups to present a program on the consequences of gang association and membership. Federal Byrne Formula Grant funding awarded through the Division of Criminal Justice covers the salary of a Project Coordinator and Correction Officer overtime, a vehicle for the Investigators transportation as well as costs associated with marketing materials, and training.	7/13/02-12/31/03	\$144,964	\$ 48,321	US Department of Justice/NJ Division of Criminal Justice
Comprehensive Approach to Sex Offender Management Implementation Grant	A new grant award that supports the implementation and evaluation of sex offender specific therapy and aftercare support services to sex offenders under Community Supervision for Life (CSL) who are pending release or who are on paroled and assigned to Parole District Offices 1,8,10, &12. Target population will be sex offenders released from MidState, Riverfront and South Woods. Funding supports sex offender therapy, case management services and an outcome evaluation conducted by Rutgers Center for Mental Health and Criminal Justice Research. An interagency Advisory Board will act as the oversight and technical assistance advisors to the project.	10/1/02 – 9/30/04	\$247,979	\$65,964 (in-kind match only)	U.S. Department of Justice, Corrections Program Office

East Coast Gang Investigators' Association Training Conference	Byrne formula grant funding awarded to the Department to support the East Coast Gang Investigators' Association (ECGIA) Training Conference scheduled for October 14-17 and other related training needs of the Association. SID Investigator Ron Holvey is Vice President of this Association, soon to be elected President. Funding will be used to reimburse ECGIA for conference related costs not covered through registration fees charged to attendees.	9/1/02 – 9/30/03	\$10,500	\$3,500	US Department of Justice/NJ Division of Criminal Justice
Workplace and Community Transition Training for Incarcerated Youth Offenders (Project Inside)	Project IN-SIDE is a three-year continuation grant to establish a system of vocational training and college programs for incarcerated individuals who are below the age of 25 and within five years of parole. The majority of funds support contracts with two county colleges that run evening programming for students as well as continued post secondary education for participants upon their return to the community.	7/1/02-6/30/04	\$ 513,326		US Department of Education
Discharge Planning Unit (Essex County)	Approximately 40% of inmates from Essex County have served the maximum sentence in prison and are released with no structured supervision or treatment plan. To address the reentry needs of these offenders the department will establish a discharge-planning unit focused exclusively on Essex County "max cases." Federal Byrne Formula Grant funding awarded through the Division of Criminal Justice will support a unit of two Social Workers whose responsibility will be to develop appropriate assessment driven discharge plans and work with the network of community agencies and services in Essex County to secure these needed resources. The department will work collaboratively with the Greater Newark Safe Cities Initiative in order to access services and support through this multi-agency initiative. Grant funding will support the cost of two Social Worker positions in addition to computers and general office supplies.	1/1/03 – 12/31/03	\$ 79,273	\$26,424	US Department of Justice/NJ Division of Criminal Justice
